

# BEACHSTAR WATER WHEELCHAIR

*accessible holiday  
enjoyment*

## BeachStar Water Wheelchair lift

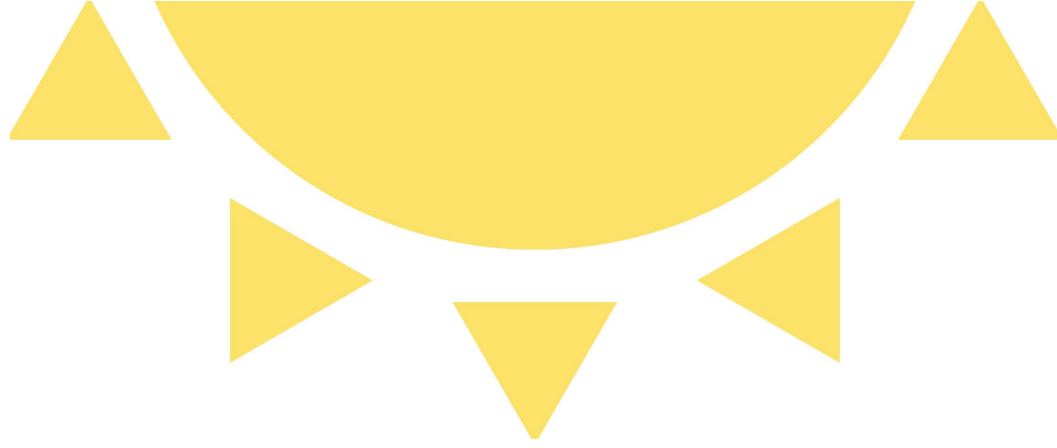

The Beachstar Beach Wheelchair is the perfect partner for people with limited mobility to move easily on the beach, pebble, beach and sea and swim in the sea.

The Beachstar Water Wheelchair is designed to meet the needs of people with disabilities for holidays and even bathing, with a perfect design.

BEACHSTAR sea chair effectively solved the holiday and entertainment problem of people with disabilities. The disabled wheelchair can be installed and dismantled in a matter of minutes without the aid of tools, allowing the disabled and older people to transfer easily to the beach, sea and gravel.
